

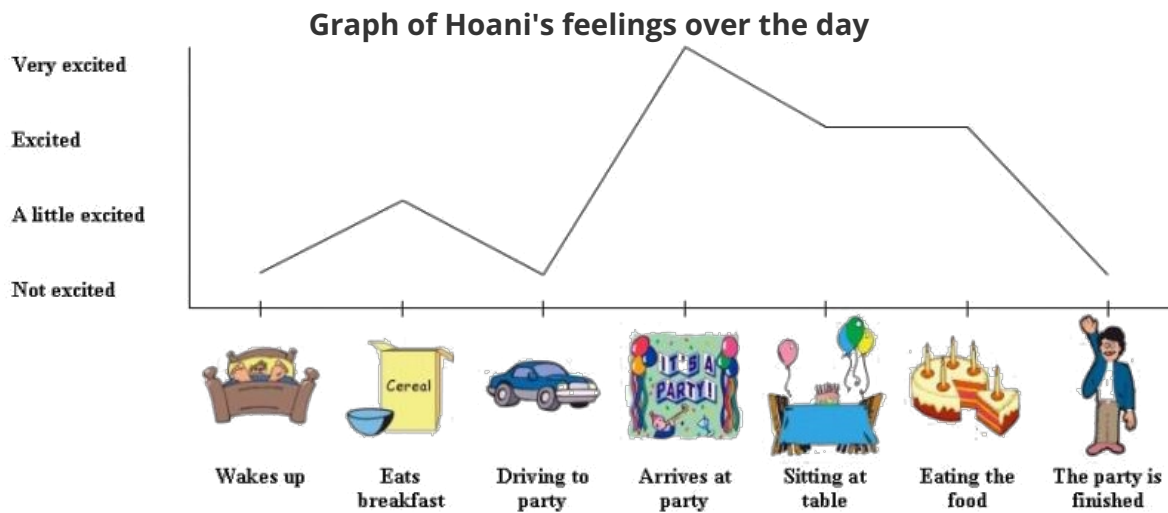

Graphing feelings

This task is about interpreting a line graph.

Hoani went to his cousin's birthday party. The graph above shows how excited Hoani was feeling at different times of the day. Use the graph to help you finish the story about Hoani and how he was feeling. Only use the times of the day shown on the bottom of the graph.

How excited was Hoani feeling?

When Hoani woke up he was not excited. While he was eating his breakfast he started to be...
