

School work

This task is about interpreting a graph.

Fran drew a graph to show how easy she found her school work.

Look at the graph and answer the following questions.

a) Finish the sentence.

Fran found spelling

Very easy / In between very easy and just right / Just right / In between just right and very hard

/ Very hard

(Select one)

b) Which subject did Fran find the hardest? *Maths / Spelling / Reading / Writing / Art / Science / Sport*

(Select one)

c) Which subject or subjects did Fran find just right?

Maths / Spelling / Reading / Writing / Art / Science / Sport

Maths / Spelling / Reading / Writing / Art / Science / Sport (Select one from each list)

d) i) Which of these subjects did Fran find easiest? *Science / Sport / Writing (Select one)*

ii) Which of these subjects did Fran find hardest? *Art / Maths / Science (Select one)*
