

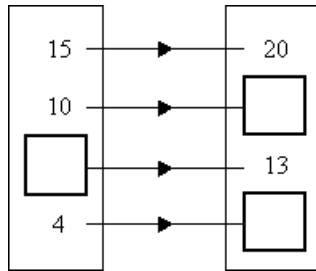

Mapping diagrams

This task is about completing mapping diagrams and listing ordered pairs.

- a) i) Write the correct numbers in the three boxes to complete the mapping diagram to show the relationship "is 5 less than".

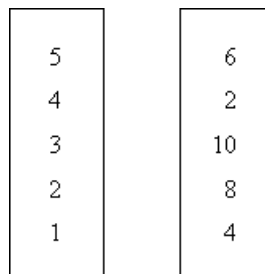

"is 5 less than"

- ii) Write down the four ordered pairs in the relationship shown in the diagram above.

(__ , __) (__ , __) (__ , __) (__ , __)

- b) i) Draw in five arrows to complete the mapping diagram to show the relationship "is half of".

"is half of"

- ii) Write down all the ordered pairs in the relationship shown in the diagram above.
