

# How hungry?

---

This task is about drawing a graph to show how hungry someone was at different times of the day.

Draw a dot plot to show how hungry Paula was feeling throughout the day.

- a) She woke up at 8 a.m. feeling very hungry.
- b) She had breakfast and by 9 a.m. she felt just right, neither hungry nor full.
- c) She slowly got hungrier until she ate her lunch at 12 p.m.
- d) She had a huge lunch and by 1 p.m. she felt very full.
- e) At dinnertime, 6 p.m., she still felt pretty full, so she didn't eat any dinner.
- f) It was silly to miss dinner because when she went to bed at 8 p.m. she felt quite hungry.
