

Creating number sentences

This task is about creating number sentences.

Questions/instructions:

These cards show some numbers and signs.

Cut out the cards below and use them to make some number sentences.

Use each number only one time.

- . Make a number sentence that uses $<$
- . Make a number sentence that uses $=$
- . Make a number sentence that uses $>$

2	3	4	5
6	8	10	

+	-	\times
$<$	$>$	$=$
