

# Attractive paper clips

---

This task is about magnetism.

A bar magnet, placed on a desk, is not attracting a steel paper clip.

Select *Yes* or *No* in the boxes below, to show whether the actions a) to e) would make it easier for the magnet to attract the paper clip.

Action	The action will make it easier for the magnet to attract the paper clip
a) Turning the paper clip 90°	<i>yes / no</i>
b) Moving the paper clip closer to the magnet	<i>yes / no</i>
c) Turning the magnet around 180°	<i>yes / no</i>
d) Magnetising the paper clip	<i>yes / no</i>
e) Try another similar paper clip	<i>yes / no</i>
