

Recycling advertisement

This task is about writing text to encourage recycling.

Your local council is going to put an advertisement in the paper so that people will know about how recycling helps the environment.

Your task is to write this advertisement. Your advertisement will need to explain

- two reasons how recycling helps the environment (why)
- what materials can be recycled (what)
- how recycling is carried out in the town (how).

Write the words for your advertisement in the box below.

Why:

What:

How:
