

Solar eclipse

This task is about a solar eclipse.

This diagram shows an eclipse of the Sun (solar eclipse).

- Put an **X** on the diagram of the Earth to show an area of the Earth where a person would see a total solar eclipse.
- Put a **Y** on the diagram to show an area of the Earth where a partial solar eclipse would be seen.
- Draw another **light ray** on the diagram to show another area of partial solar eclipse.

d) Would a person standing at **W** see an eclipse?

Yes

No

Explain your answer
