

From cloud to snow

This task is about the water cycle.

Imagine you are a water drop in a cloud. You then fall to the Earth as a piece of snow. As a piece of snow you land on the side of a mountain in New Zealand. Tell the story of your journey from the cloud, to the mountain, to the sea, and then back into a cloud. In the box on the next page you will find some words that you may need to use in your story.

The story has been started for you.

Words you may need to use

Water evaporation Sun sea river
freeze condensation heat melt snow

Here I am as a water drop in a cloud
