

Treasure map features

This task is about describing land features.

A pirate captain and two other pirates have landed on the beach.
They have come to get their buried gold.
They are using this map to find their way.

a) The pirates had never seen a river before. Tell the pirates what **rivers** are.

b) Tell the pirates what a **cliff** is.

The pirates did this, and then walked up the Valley of Bats to get to the mountains.

c) What are **mountains**?

The pirates got their gold. They now need to walk back to the beach. They will follow the path marked by **- - - - -** from 'X' on the map to 'Y' on the map.

d) Name **two** land features they go past on the walk from 'X' to 'Y'.

1.
2.

e) What do we call a piece of land with the sea all around it?
