

# The weather today II

This task is about interpreting a weather map.

Use this map to answer the following questions.

a) Use the weather map to describe these conditions in Napier.

1. Temperature
2. Sky conditions
3. Wind strength
4. Wind direction

b) Use the map to give a full weather report for Wellington.

c) Light winds and sunny conditions are perfect for kite flying.  
Use the map to name one of the best places for kite flying on this day.
