

Popcorn

This task is about describing what you see.

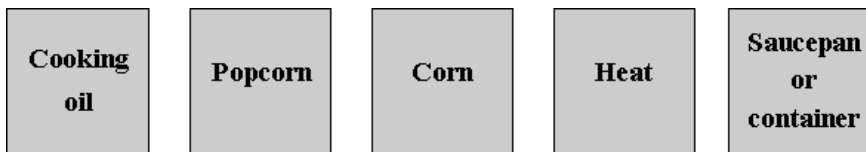

a) Look at the corn before it has been 'popped'.

In the box below draw and describe what the corn looks like.

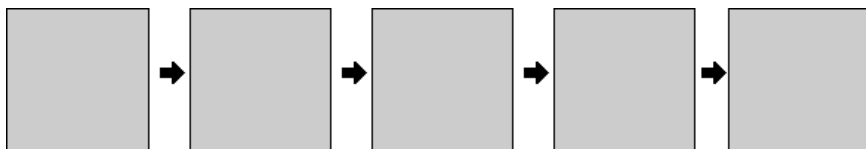

Drawing of corn	Description of corn

Your teacher will now 'pop' some corn for you.

b) Here are some words about making popcorn.

Write these words into the boxes below to show the steps for making popcorn from start to finish.

Start

Finish

c) Look at the corn after it has been 'popped'.

In the box below draw and describe what the 'popped' corn looks like.
