

# Cooking

---

**This task is about making observations.**

## How to do this task

- Fill in the table below as your teacher cooks each of the foods.
- You may need to use words that describe colour, smell, or texture.

### Description of Food

| Food        | Before being cooked | During cooking | After cooking |
|-------------|---------------------|----------------|---------------|
| Toast       |                     |                |               |
| Popcorn     |                     |                |               |
| Chocolate   |                     |                |               |
| Egg         |                     |                |               |
| Pikelet mix |                     |                |               |
