

# Paper is useful stuff

**This task is about the uses of different types of paper.**

a) In our homes we use paper for a lot of things.

In the box below write in as many uses of paper that you can think of.

A large rectangular box with a black border. In the center of the box is a thought bubble. The thought bubble is an irregular cloud-like shape with a small tail pointing towards the bottom right. Inside the thought bubble, the word "Paper" is written in a simple, black, sans-serif font.

b) Your teacher will now give you some examples of paper. Fill in the table below for each type of paper you are given.

<b>Type of paper</b>	<b>What could this paper be used for?</b>	<b>Explain why this paper is special for this job.</b>
