

# Life cycle of the kākāpō

This task is about how animals change in their life cycle.

Put these pictures in order from the picture of the youngest kākāpō to the picture of the oldest.

Write down how the kākāpō has changed from picture B to picture D.

Write down how the kākāpō has changed from picture D to picture A.

Photo: G. Climo DOC.

Photo: R. Morris DOC.

Write down how the kākāpō has changed from picture A to picture C.
