## Kererū

a)Here is a picture of a Kererū (the New Zealand wood pigeon).

Use the words in the box below to label the parts of the bird. One word is not needed. The first one has been done for you.

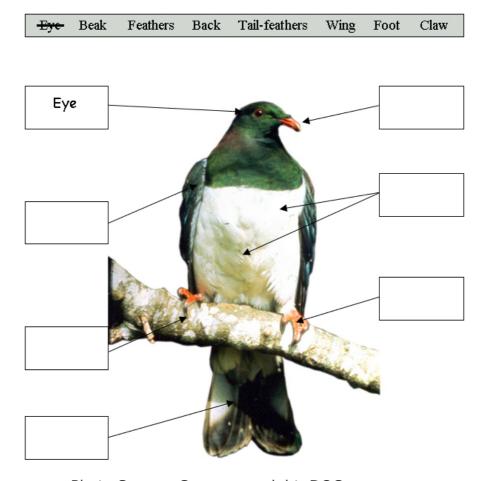

Photo Source: Crown copyright, DOC.

b)Write down why the bird needs each of these parts. The first one has been done for you.

| Part of the bird | Why does the bird need this part? |
|------------------|-----------------------------------|
| Eye              | To see where they are.            |
| Beak             |                                   |
| Feathers         |                                   |
| Tail-feathers    |                                   |
| Wings            |                                   |
| Feet             |                                   |
| Claws            |                                   |
