

Come to your senses

This task is about observations and senses.

a) Fill in this table. Look closely at the objects you have been given. Describe the characteristics of these objects.

Food	Colour	Shape	Does it smell? Yes or No	Texture	Length (estimate in centimetres)
<input type="text"/>	<input type="text"/>	<input type="text"/>	Yes/ No	<input type="text"/>	<input type="text"/> cm
<input type="text"/>	<input type="text"/>	<input type="text"/>	Yes/ No	<input type="text"/>	<input type="text"/> cm
<input type="text"/>	<input type="text"/>	<input type="text"/>	Yes/ No	<input type="text"/>	<input type="text"/> cm
<input type="text"/>	<input type="text"/>	<input type="text"/>	Yes/ No	<input type="text"/>	<input type="text"/> cm
<input type="text"/>	<input type="text"/>	<input type="text"/>	Yes/ No	<input type="text"/>	<input type="text"/> cm

b) Fill in this table to show which part of your body you used to get the information in the table before.

Information you gathered	Which part of your body did you use?
Colour	<input type="text"/>
Shape	<input type="text"/>
Smell	<input type="text"/>
Texture	<input type="text"/>
Length	<input type="text"/>

c) What piece of equipment could you use to help you fill in the table in a) to make it more accurate?

d) Explain how this piece of equipment could help you.
