

Going to Stephanie's house

This task is about giving directions from a map.

The dotted line shows the way Jennifer walked from her house to Stephanie's house.

Fill in the gaps below using only the words *right* or *left*, to describe Jennifer's walk.

- a) Jennifer walked past Simon's house and then turned *left/ right*.
- b) She walked past Matthew's house and then turned *left/ right*.
- c) She walked past Dave's house and then turned *left/ right*.
- d) She walked past Laura's house and then turned *left/ right* to get to Stephanie's house at the end of the street.
